

SEEKERS CHURCH
A Church of the Saviour Community
REVISED COMMON LECTIONARY

Jubilee 2019

The vision is out there ...

The Gospel will be performed where two or three are gathered together, listening for the Word of God, feeling the breath of the Spirit dancing in and among and through them, feeding one another so that they can become what they already are: members of the Body of Christ, going out to perform the Good News of God's love for the healing of the world.

WELCOME TO SEEKERS CHURCH

Seekers Church is a small, progressive Christian church, one of several communities that grew out of the Church of the Saviour in Washington, DC, in 1976. Our call is to be a church which comes together in weekly worship rooted in the Biblical faith, with shared leadership, then disperses with a common commitment to understand and implement Christian servanthood in the structures in which we live our lives. Our worship brings forth the gifts of many members of the community. We do not have one minister or preacher to lead us; rather, we offer an open pulpit each Sunday to different members of our community who hear the call to preach. We do not emphasize dogma or rules; rather, we invite each person to join us through regular, intentional participation.

We are an intergenerational, inclusive community. We welcome everyone, regardless of race, age or sexual orientation. We encourage visitors to come for several weeks, to experience the variety and richness of worship that we experience when many members of the community share their gifts.

Please join us after the service for coffee and conversation, and next week join us at 9:30 for a time of sharing news from the community. You can learn more about the call and life of Seekers Church then, and by checking our web site at <http://www.seekerschurch.org>.

Additional information is available in the rack outside the door of the sanctuary.
